

## SolarMax Energy Systems

# 40 kWh energy storage battery

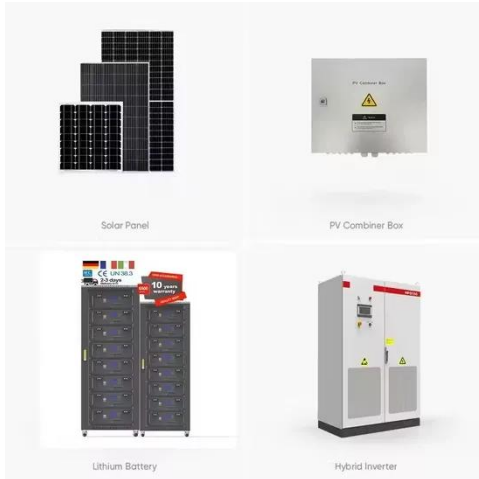

## Overview

---

The 40kWh lithium battery is designed based on a standard 19-inch size. It is made up of four 10kWh modules connected in parallel. Each module has a 200A smart BMS protection board. It supports 6,500 charge and discharge cycles, providing you with safe, efficient, and long-lasting power.

## 40 kWh energy storage battery

### Battery Energy Storage , MBE 40 , Generac

Energy for the Environment , The MBE40 provides single-phase power output for mobile power applications with the advantage of zero sound and zero emissions.
