

## SolarMax Energy Systems

# Albania Hydropower Energy Storage Project

## Overview

---

Albanian state-owned power utility KESH is discussing a pumped storage hydropower project with the EBRD. Pumps would be added between the Fierza and Koman reservoirs. The system would be used for transporting water uphill when electricity demand is lower and release it through turbines when needed.

## Albania Hydropower Energy Storage Project

### Statkraft to assess opportunity to develop Pumped-Storage ...

The concept is to assess a 1200 MW (+/- 35%) pumped storage hydropower plant upstream Moglicë hydropower plant. The feasibility phase is expected to be concluded in 2024, opening ...
