

SolarMax Energy Systems

Azerbaijan Energy Storage Project Company

Overview

Will Azerbaijan build the first industrial battery energy storage system?

Azerbaijan is currently conducting the selection of a company for the construction of the first industrial battery energy storage system, Deputy Energy Minister Elnur Soltanov told journalists at the Alley of Honor during the commemoration of National Leader Heydar Aliyev's memory, Trend reports.

What is Azerbaijan's 200 MW Bess project?

The 200 MW BESS project, a key initiative in Azerbaijan's renewable energy expansion, was formalized in May 2024 through an agreement between ACWA Power and the Ministry of Energy. Strategic importance for Azerbaijan.

What happened to Azerbaijan's energy ministry?

The ministry's statute was approved by the Azerbaijani Parliament on May 15, 2006. Later, on 22 October 2013, this ministry was liquidated, and its function was passed to the Ministry of Energy established on the same date according to Presidential Order No.3.
