

## SolarMax Energy Systems

# Barbados Power Station Energy Storage

## Overview

---

It will be the largest, most advanced facility in the area, as BioEnergy Times reported. "This project will use solar energy along with hydrogen and battery storage so the power supply is steady day and night," Aidan Rogers, a strategic adviser for the project, said.

## Barbados Power Station Energy Storage

### Barbados to build 60 MW of community solar gardens

The portfolio will include battery energy storage systems (BESS) either tethered to Barbados' primary grid or spread across the project's 50 sites, which will function as ...
