

SolarMax Energy Systems

**Barbados has several
communication base station
energy storage systems**

Overview

Presently, the island has a 5 MW battery storage system installed on the grid at Trents, St. Lucy. Another 15 MW have already been approved by the Fair Trading Commission (FTC), through the Clean Energy Transition Rider. The Barbados Light and Power Company is the owner and operator of these projects.

Barbados has several communication base station energy storage s

Barbados , Battery Energy Storage Systems Facilities Critical for

She noted that battery energy storage systems were a critical component of any country's energy strategy. "For Barbados in particular, it is the key to unlocking further ...
