

## SolarMax Energy Systems

# Battery cabinet grouping technology

**18650** 3.7V  
Li-ion  
RECHARGEABLE BATTERY

**2000mAh**

## Overview

---

The service life, safety, and capacity of lithium-ion power battery packs relies heavily on the consistency among battery cells. Grouping is an effective procedure to improve consistency by screening c.

## Battery cabinet grouping technology

### Study on distributed lithium-ion power battery grouping scheme ...

In this paper, a novel grouping scheme based on distributed time-series clustering is proposed to match the need of both efficiency and consistency improvement.
