

SolarMax Energy Systems

Bhutan s latest policy on new energy storage

Overview

Multi-purpose reservoirs and pumped storage with solar hybrids are prioritized for firm power. Solar and other renewables (wind, geothermal, biomass) are promoted via PPPs, Independent Power Producers (IPPs), and captives, with Foreign Direct Investment (FDI) allowed.

Bhutan s latest policy on new energy storage

Bhutan plans 11,930 MW of hydro projects and 1,226 ...

The completion of ongoing hydropower projects, and initiation of new projects, will be complemented by the development of energy storage ...
