

SolarMax Energy Systems

Bosnia and Herzegovina photovoltaic energy storage joint operation

Battery String-S224

- 1C Charge/Discharge
- Easy configuration and maintenance
- Power supply can be single battery string or parallel battery strings

Overview

Who is building a 125 MW solar plant in Bosnia & Herzegovina?

Bosnia and Herzegovina has started working on a 125 MW solar plant – its largest to date. China's Norinco International will build the facility, with completion expected in one year. The European Commission has published a call for private companies to invest in the Western Balkans.

How many companies operate the gas Trans-mission system in Bosnia and Herzegovina?

Three companies in Bosnia Herzegovina operate the gas trans-mission system. In the Federation of Bosnia and Herzegovina, one company operates the transmission network as an exclusive and sole task in line with the Decree on Organisation and Regulation of the Gas Sector, but there is no legal basis for unbundling under the Third Energy Package.

Why is Bosnia & Herzegovina's energy sector so vulnerable?

This delay persists despite the ENTSO-E cybersecurity report from 2022, which identified Bosnia and Herzegovina's energy sector as one of the most vulnerable in the region due to outdated infrastructure and insufficient cybersecurity investments.

Does Bosnia and Herzegovina have a national energy and Climate Plan?

Bosnia and Herzegovina submitted an updated descriptive part of its National Energy and Climate Plan (NECP) on 28 June 2024, as well as a summary of how the Secretariat's recommendations had been taken into account.

Does Bosnia and Herzegovina provide security of electricity supply statements?

Bosnia and Herzegovina is not providing the Security of Electricity Supply Statements to the Secretariat despite its obligation under Article 29 of the Treaty.

Is there a PEI project in Bosnia and Herzegovina?

There is no PEI project in the territory of Bosnia and Herzegovina, chosen under the procedure launched in 2024 for the Energy Community which relates to gas or hydrogen.
