

SolarMax Energy Systems

Communication base station inverter sales information

Outdoor Cabinet BESS
50 kWh/500 kWh Battery Storage System
Industrial and Commercial Energy Storage

The image shows two views of the Outdoor Cabinet BESS. On the left is a closed white cabinet with a grey door and a small digital display. On the right is the same cabinet with its door open, revealing internal components including battery packs, inverters, and wiring. The background of the image shows a landscape with wind turbines and mountains.

- All In One**
Integrating battery packs
- High-capacity**
50~500kWh
- Degree of Protection**
IP54
- Operating Temperature Range**
-20~60°C (Derating above 50 °C)
- Intelligent Integration**
integrated photovoltaic storage cabinet
- Rated AC Power**
50~100kW
- Altitude**
3000m(>3000m derating)

Communication base station inverter sales information

Communication Base Station Inverter Application

How to ensure the compatibility between the inverter and other systems of the communication base station? The key to ensuring compatibility is to consider when selecting ...
