# Danish communication base station lead-acid battery power generation company

## Danish communication base station lead-acid battery power genera

### Communication Base Station Lead-Acid Battery: Powering ...

In an era where lithium-ion dominates headlines, communication base station lead-acid batteries still power 68% of global telecom towers. But how long can this 150-year-old technology ...

### Lithium battery parameters

Product capacity: 100Ah

Product size: 135\*197\*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

### From communication base station to emergency ...

Lead-acid batteries have built a solid power guarantee network in the field of communication base stations and emergency power supplies by virtue of their ...
