

SolarMax Energy Systems

Double glass 265w module parameters

Double glass 265w module parameters

High Power TOPCon 605W/615W/625W Double ...

Our bifacial double-glass design increases energy production by 5% to 25%, capturing sunlight from both sides, making it ideal for installations in open ...

[Get a quote](#)

The Performance of Double Glass Photovoltaic Modules under ...

In recent years, with the rapid development of the photovoltaic industry, double glass module as a high reliability and high weather resistance product is favored by many PV ...
