## Overview

---

China's Envision Energy has been selected by Kallista Energy to deliver a 120 MW/240 MWh battery energy storage system (BESS) in Saleux, northern France. The project represents Envision's first independent storage contract in the French market and signals its continued European expansion.

## French Electricity Storage Project

---

### France's battery market expected to expand rapidly by 2030, but ...

The battery storage market in France is expanding rapidly, but with deployment dominated by the development of large batteries, markets are at a higher risk of saturation.
