High-end inverter prices in Nigeria

Overview

A 3kW 24V inverter typically costs ₦399,999 (approximately \$308, depending on the exchange rate). For those requiring a bit more power, a 5kW 48V inverter can cost around ₦495,500 (roughly \$2,358). What are the best inverters in Nigeria?

Luminous Inverters: Luminous inverters are one of the leading brands of inverters in Nigeria. They have added multiple awards to their name and it has been recognised as a “Superbrand” by the International community because of its advanced technology.

Are inverters a good alternative to generators in Nigeria?

In recent times, individuals and organizations in Nigeria have seen inverters as an alternative source of electricity whenever there's power failure. Unlike generators, inverters are noiseless and don't cause pollution that affects the environment adversely.

What appliances can a home inverter power?

If you're looking for an inverter to power your home, you would likely want one that can power your TV, DVD, lights, freezer, air conditioners, and kitchen appliances. In this case, you will need to have a huge battery bank.

What is a prag inverter?

2. Prag Inverter: The prag inverter is proudly made in Nigeria. They are engineered with advanced technologies that ensure your battery lasts longer. Prag Inverters are built not just solve power solutions in your home, it has also been designed to add beauty to your various home and offices.

Do you need an inverter to power your home?

If you're looking for an inverter to power your home appliances, you will likely need one that can handle your TV, DVD, lights, freezer, air conditioners, and kitchen appliances. This would require a large battery bank, which can be

expensive.

What makes inverters a better choice than generators?

Unlike generators, inverters are noiseless and don't cause pollution that affect the environment adversely. However, for those that have nursed the idea of choosing an inverter for their electricity needs, the process of making the right selection can be quite tough.
