

## SolarMax Energy Systems

# Home energy storage 20 kWh

## Overview

---

Lithium iron phosphate batteries at the 20kWh capacity level have emerged as a mainstream choice for residential storage due to their high safety, extended lifespan, and strong adaptability.

## Home energy storage 20 kWh

### Home Backup Power & Energy Storage System 20KWh

Built for reliable performance during extended power outages, the Dakota Lithium Home Backup Power & Energy Storage System makes going off grid easy.
