

## SolarMax Energy Systems

# Huijue Electric Energy Storage Container

## Overview

---

What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.

What are Huijue containers?

Packaged in ISO-certified containers, our Containerized BESS are quickly deployable, reducing installation time and minimizing disruption. Huijue's containers are designed for durability and efficiency, integrating advanced battery technology with smart management systems.

How safe is Huijue's containerized battery system?

Safety is a top priority for Huijue's Containerized BESS. The containers are constructed to meet rigorous safety standards, and the battery systems incorporate multiple layers of protection, including thermal management, fire suppression, and overcharge/overdischarge prevention.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

Why should you choose Huijue's containerized Bess?

These turnkey solutions are ideal for industrial and commercial applications, providing reliable energy storage with minimal footprint and maximum flexibility. What are the advantages of Huijue's Containerized BESS over

traditional energy storage solutions?

.

What is Huijue off-grid solution?

Huijue Off-Grid Solution integrates photovoltaic, energy storage, and off-grid systems for scalable energy self-sufficiency. The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.
