Where can I order a portable power station?

Visit us! You can order Portable Power Stations at Solar Power Supply. Portable, or as a UPS system at home. Backup energy for off-grid or emergency supply system at home.

Why do you need a portable power station?

Our portable power stations also provide the added benefit of mobility, bringing a source of power with you on the move, power when and where you need it. With portable power stations you can power your camper van as you enjoy the Wild Atlantic Way. Sailing can become more comfortable and safer with a back up power supply on board.

Why do data centres need portable power stations?

Data centres are putting huge demands on the Irish electricity network. Power outages are becoming more frequent and having a back up supply for domestic outage is becoming more and more popular. Our portable power stations also provide the added benefit of mobility, bringing a source of power with you on the move, power when and where you need it.
