# Ireland energy storage project construction

To Strive forward No Energy Waste

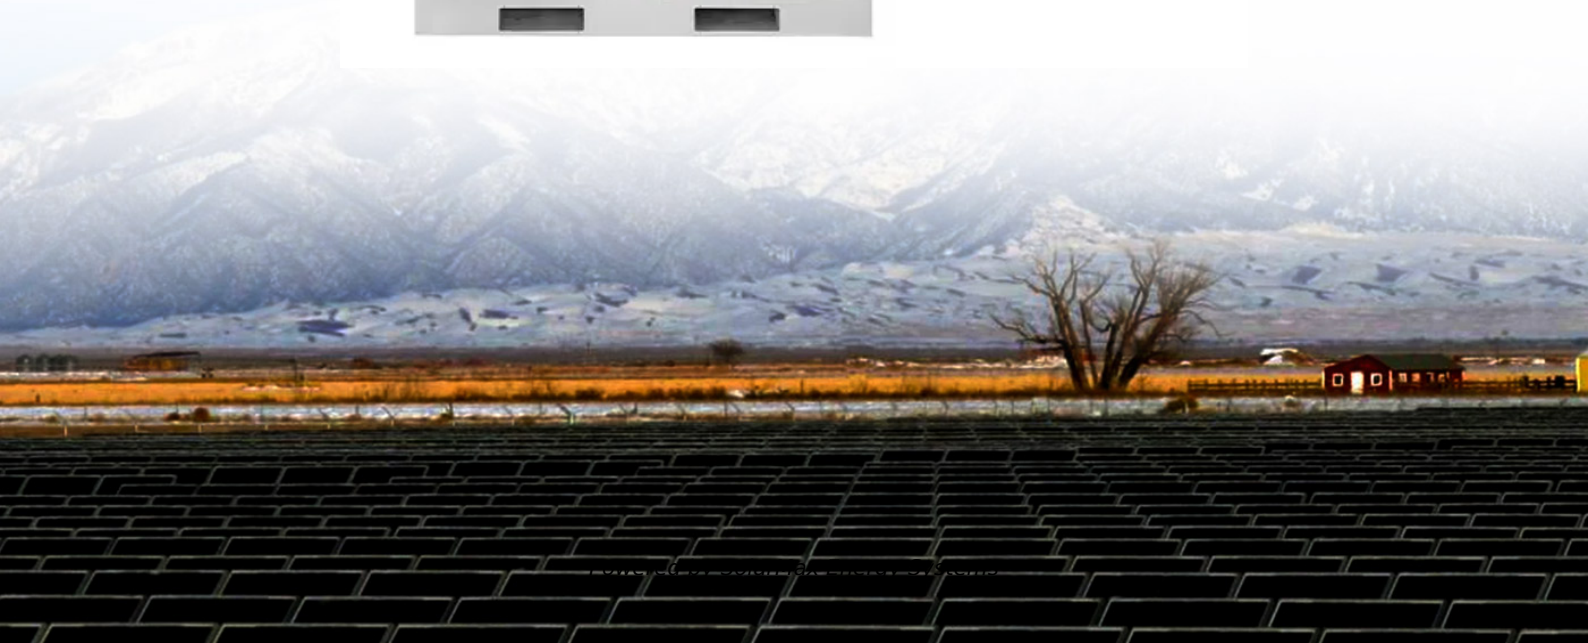

All in one

100~215kWh  
High-capacity

Intelligent  
Integration

## Overview

---

Construction is underway by Statkraft at Ireland's first 4-hour grid-scale battery energy storage system (BESS) in County Offaly, in Ireland's midlands. The 20MW, 4-hour BESS solution is supplied by a global market leader in utility-scale energy storage solutions and services, Fluence.
