Island Photovoltaic Panel Wholesale Factory Direct Sales

Overview

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. At SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Do wholesale solar panels come on pallets?

Our wholesale solar panels come on pallets, offering you the perfect wholesale solar panel solution for larger projects or resellers. Whether you're outfitting a commercial property or stocking up for a residential install, these pallets of solar panels provide high-quality performance at unbeatable prices.

What is a wholesale solar panel bundle pack?

A wholesale solar panel bundle pack is a convenient package that allows you to purchase multiple high-efficiency grid tie solar panels at deep discount prices. Our packs are built with large 230W solar panels, making it easy to get all the panels you need for your home or multiple installations.
