

SolarMax Energy Systems

Kyrgyzstan ion battery energy storage system

Overview

A smart integrated energy system combining photovoltaic power generation, diesel generation, and lithium battery storage has recently been successfully deployed in a mining area in Kyrgyzstan, providing efficient, stable, and clean power support for residential and office zones.

Kyrgyzstan ion battery energy storage system

Battery energy storage factory in Kyrgyzstan

Hithium has launched a battery energy storage system (BESS) product suitable for use in desert conditions and plans to build a 5GWh production plant in Saudi Arabia.
