

## SolarMax Energy Systems

# Laos Energy Storage Battery Technology

## Overview

---

A 2023 ASEAN Energy Report revealed that Laos could've powered an additional 400,000 homes last year if they'd had proper storage solutions. That's where China's expertise enters the picture. China's invested \$1.2 billion in Laos' energy sector since 2020, focusing on cloud-connected storage systems.

## Laos Energy Storage Battery Technology

---

### Laos energy storage project

Tenaga Nasional Bhd will kick-start a 400 megawatt-hour (MWh) battery energy storage system (BESS) pilot project in this quarter, marking Malaysia's first utility-scale battery storage project ...
