Overview

SEIA makes major solar project data available to the public through the map below. SEIA members have exclusive access to the list as a sortable, searchable MS Excel file that is.

SEIA does not guarantee that every identified project will be built. Like any other industry, market conditions may impact project economics and timelines. SEIA will remove a project if it is publicly announced that it has been canceled. SEIA actively.

Large-scale clean energy storage projects

5 Large-Scale Clean Energy Projects Announced in Oct; ...

Detailed below is a list of October clean energy announcements tracked by E2 along with totals by state, sector, industry type for all projects announced since E2 began ...
