

SolarMax Energy Systems

Lithium battery station cabinet high temperature

Overview

- High temperature resistant up to 2552 °F / 2552 °C
- Lightweight, highly advanced fire insulation materials incorporated in walls, bottom and lid
- Special fire resistant vents for controlled relieve of explosion pressure
- Filter sysyem in lid to prevent release of toxic gasses

Lithium battery station cabinet high temperature

Justrite Lithium Ion Battery Storage Charging Cabinet, ...

The Justrite Lithium-Ion Battery Charging Cabinet is the ultimate solution for safely charging and storing your lithium-ion batteries. Each charging station locker has multiple ...
