

SolarMax Energy Systems

Mongolia BESS Energy Storage Container

Overview

The \$100 million loan will be used to install a 125MW BESS to accelerate the adoption of renewable energy. Once complete in September 2024, the BESS will be one of the world's largest and will help Mongolia to increase its portfolio of renewables to 44GWh per annum.

Mongolia BESS Energy Storage Container

ADB funds Mongolia's first large-scale advanced battery energy ...

In Mongolia, the National Power Transmission Grid has secured a loan from the Asian Development Bank (ADB) to install the country's first large-scale advanced battery ...
