Niue Communication Base Station EMS Cabinet

Overview

What is the role of cabinet in Niue?

Cabinet is constitutionally responsible for exercising the general authority of Niue and has the general direction and control of the executive government of Niue. The Prime Minister is the leader of the government and the chair of Cabinet. He is elected by the Niue Assembly members at the Assembly's first meeting after a general election.

What services does Niue have?

Communications in Niue include postal, telephone, internet, press and radio. Telephone service is provided by Telecom Niue, the sole provider, which services 1,100 landlines and fixed wireless lines. It also operates a cellular telephone service on the AMPS and GSM platforms. Internet users: 1,485 (December, 2020).

Who owns Telecom Niue Ltd?

Telecom Niue Ltd. is a company incorporated in and owned by the Government of Niue. It was formed out of the business and operations of the Department of Post and Telecommunication. In 2016 Telecom Niue was registered as a private company with the Government as the sole shareholder.

What does Telecom Niue do?

As a responsible corporate, Telecom Niue continues to commit to community and civic responsibilities through sponsorships and projects with innovative solutions to transform the lives of the Niue's people. Telecom Niue continues the journey of business innovation and excellence to drive a World Class Organisation.

Is Niue a self governing state?

The Government of Niue proudly commemorates 50 years as a Self-Governing

State. The general functions and position of the Secretary to Government (SOG) are established in Article 63 of the Niue Constitution. The SOG is the permanent head of the Niue Public Service and the Chief Administration officer of the Government of Niue.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, "The construction of this new power station is a vital piece of infrastructure for Niue's development and well-being. This achievement would not have been possible without the support of our regional partners."
