

## SolarMax Energy Systems

# Outdoor base station energy saving

## Overview

---

In response to the current widespread issue of high energy consumption in 5G base stations, this article conducts overall design, hardware design, and software design of the base station energy-saving system based on the energy-saving principle of intelligent fresh air systems.

## Outdoor base station energy saving

---

### Ericsson Cellular Base Stations

Legacy RBS 2000 Ericsson's earlier RBS lineup combined both indoor and outdoor base stations with options for single-sector and multiple-sector configurations. They continue to be added to ...
