

SolarMax Energy Systems

Outdoor battery cabinets are all 12v

Overview

What types of outdoor battery enclosures are available?

AZE's heavy duty outdoor battery enclosures and Lithium battery storage system are available in NEMA 3R, or 4X configurations. These outdoor battery enclosures, which come in all shapes and sizes, are designed to withstand extreme elements, climates and environments.

Are battery cabinets NEMA & IP rated?

It is important to note that the NEMA and IP rating varies depending on where you will install the enclosure. A range of outdoor energy storage battery cabinets and outdoor lithium battery cabinets are available in standard and custom configurations, can be pole-mounted or ground-mounted .

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.

What is the best material for battery cabinets?

Aluminum is a popular material for battery cabinets due to its superior properties. Ideally, aluminum is known for: Galvanized / Stainless Steel Outdoor Battery Enclosures Stainless steel battery boxes and galvanized steel battery boxes are also common.

How many batteries can a metal battery box hold?

We supply various sizes of enclosures for holding batteries and associated electronics. Our most popular metal battery boxes are the NEMA 3R (rainproof), mill finish aluminum boxes, which can hold from a single battery up to 6, 8, or 10 if pad mounted. Many standard mill finish aluminum metal battery boxes are in stock, ready to ship.

Can a battery enclosure be fitted with a BOD-DX?

Each battery enclosure can be fitted with off the shelf battery trays and are paint tested, secured by quarter turn padlocking handle doors and seal with a rubber-filled gasket. *Our OD-30DXC NEMA Enclosure is shown in use with the BOD-DX Call and let our experienced team help you with your build.
