

## SolarMax Energy Systems

# PV Inverter Rumors

## Overview

---

What's happening in the global PV industry?

In a new weekly update for pv magazine, OPIS, a Dow Jones company, provides a quick look at the main price trends in the global PV industry. Waaree Energies has launched flexible solar modules up to 70% lighter and under 3.5 mm thick.

Did China find spying devices in inverters & batteries?

pv magazine spoke with Garikoitz Sarriegi, senior project manager at Kiwa PI Berlin Ibérica, about the Reuters report published on Wednesday that devices susceptible to spying and sabotage had been found in inverters and batteries from China. From pv magazine Spain.

Will Chinese inverter manufacturers face a similar ban?

Several U.S. utility companies fear that, following Huawei's ban, other Chinese inverter manufacturers could face a similar ban.
