

## SolarMax Energy Systems

# Photovoltaic energy storage batteries in Albania

## Overview

---

Albanian researchers say that solar could be key to reducing Albania's reliance on energy imports, but the nation will need to invest in grid infrastructure, streamline laws, and enhance access to funding to support deployment. Will Albania build its first lithium ion battery plant?

## Photovoltaic energy storage batteries in Albania

---

### **Project launched in Albania for production of battery energy storage**

Tirana-based Vega Solar, which develops, installs and maintains rooftop solar power plants, saw an opportunity to contribute to diversification with battery energy storage ...
