

## SolarMax Energy Systems

# Power prices for energy storage power stations in Brazil

## Overview

---

What is the energy supply in Brazil?

According to the Brazilian Energy Balance Summary Report 2024 issued by the EPE, the internal energy supply is divided between: Oil and its derivatives: 35.1%. Sugar cane biomass: 16.9%. Natural gas: 9.6%. Hydraulic energy: 12.1%. Coal: 4.4%. Firewood and Charcoal: 8.6%. Black liquor and other renewables: 7.2%. Wind power: 2.6%. Solar power: 1.7%.

Are energy storage products coming to Brazil?

Holu's Costa observed batteries were prominent during the Intersolar South America trade show held in São Paulo at the end of August 2024. She added, hundreds of manufacturers are bringing energy storage products to Brazil.

Can foreigners invest in battery storage businesses in Brazil?

Investment, incentives and taxation scenarios According to Brazilian law, there are no legal restrictions on direct foreign investment in the battery storage businesses or in the power sector (except in very specific segments or sectors of the economy).

Will Brazil's energy auction improve power grid reliability?

Interest in the auction has been expressed by power companies such as Portugal's EDP and Brazil's ISA Energia. The auction will enhance Brazil's power grid reliability by integrating energy storage solutions for electricity generated from renewable sources such as wind and solar. US Tariffs are shifting - will you react or anticipate?

.

Could pumped hydro be the missing piece in Brazil's energy system?

Conclusion Although energy storage solutions have yet to be widely deployed in Brazil, generation flexibility remains a scarce commodity. Therefore,

storage projects, including pumped hydro, could be the missing piece needed to enhance the country's energy system.

Are battery energy storage systems at a premium in the future?

Flexible generation and correlated solutions, including battery energy storage systems (BESS), are therefore likely to be at a premium in the future.

## Power prices for energy storage power stations in Brazil

---

### Brazil power storage sector seeks support , Latest Market News

Lower battery prices and increases to intermittent power generation could boost battery energy storage systems (BESS) in Brazil, reaching roughly 7.2GW of installed capacity by 2040 or ...
