

SolarMax Energy Systems

Romanian photovoltaic energy storage battery brand

Overview

In partnership with Prime Batteries Technology in Romania, Monsson completed a major step in combining a wind and solar power investment with batteries. The company officially put into operation an energy storage system.

Romanian photovoltaic energy storage battery brand

Romania connects largest battery storage system to date

Romanian developer Monsson has installed a 24 MWh battery storage system as the first stage of a 216 MWh project. The storage unit forms ...
