

SolarMax Energy Systems

Solar Photovoltaic Module Community

Overview

The U.S. Department of Energy defines community solar as any solar project or purchasing program, within a geographic area, in which the benefits flow to multiple customers such as individuals, business.

Solar Photovoltaic Module Community

What Is Community Solar? Complete Guide To Shared Solar (2025)

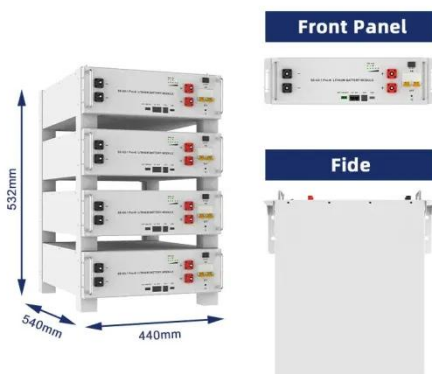

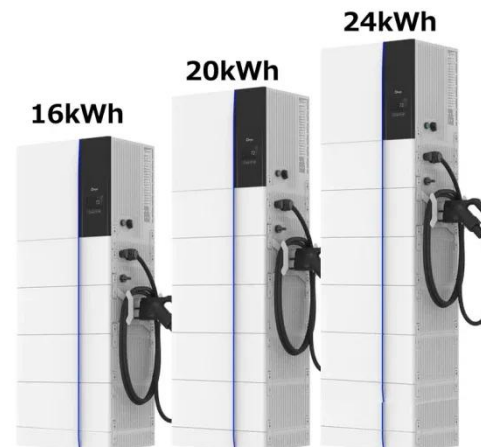

Learn what community solar is, how it works, and how you can save 5-20% on electricity bills without installing panels. Complete guide with real examples.
