Overview

What are the standard features of a solar light?

Standard features are a standard dusk-to-dawn solar lighting option without dimming, optional adjustable timed control mode, and motion-activated human body sensor mode via our dual sensor technology. The time control mode includes an all-night sensor mode and a morning mode.

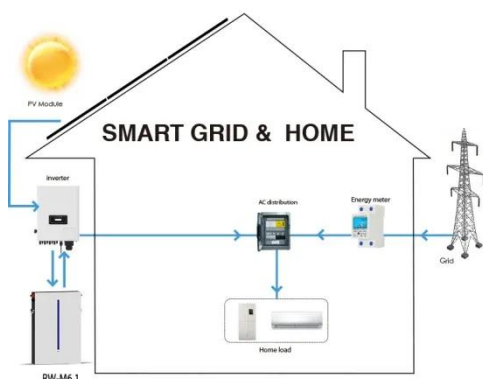

What is Enviro All-in-one solar street light?

Havells Enviro ALL-IN-ONE Solar Street Light is Made in India with High Efficiency Mono Crystalline Solar PV Module, Lithium Ferro Phosphate battery with in-built BMS technology, High Efficacy LED, MPPT Solar Charge Controller and Aluminium Extruded body.

What is all-in-one solar PV module?

ALL-IN-ONE SSL is specially designed with PIR Motion Sensor automatically control the dimming and brightness of light, which increases the backup time. Higher efficiency Mono crystalline solar PV Module is designed with positive power tolerance with efficiency > 17% for faster charging. All the components are protected with IP65 rating.
