

SolarMax Energy Systems

Solar integrated garden machine 2300 watts

Overview

How much power does a sc2300i have?

Whether it's camping in the mountains, tailgating for the big game, or simply exploring in your RV, the SC2300i is the ideal inverter for you. Packed with a powerful 80cc Yamaha engine, this little generator delivers a high output of 2,300 starting watts with 1,800 running watts of pure power.

Which a-IPOWER sc2300i inverter generator is right for You?

The A-iPower SC2300i inverter generator is your perfect power solution for all outdoor events. Whether it's camping in the mountains, tailgating for the big game, or simply exploring in your RV, the SC2300i is the ideal inverter for you.

Is the sc2300i a good inverter?

It's clean inverter technology allows for the safe usage of sensitive electronics such as laptops, smart phones, speakers, and TVs. While powerful, the SC2300i performs at a super quiet operation of only 52 decibels, which is less than the sound of an average conversation.
