

## SolarMax Energy Systems

# Solomon Islands Substation Energy Storage Project

## Overview

---

HONIARA, SOLOMON ISLANDS (12 September 2024)– The Asian Development Bank (ADB) and the Government of Solomon Islands are joining other partners to help Solomon Islands transition to renewable energy with a transformational project that will accelerate renewable energy generation and battery storage system installation, support power sector reforms, and promote private sector participation in the renewable energy generation.

## Solomon Islands Substation Energy Storage Project

---

### Solomon Islands: Renewable Energy Development Project

Sub-project 1 - involves installations on two sites in Honiara: o Sub-project 1a involves approximately 1.0 MWp ground-mounted solar photovoltaic (PV) array to be installed in ...
