

## SolarMax Energy Systems

# South Africa outdoor base station power cabinet

## Overview

---

What is an outdoor base station?

The Outdoor base station has a maintenance-free, space-saving design and can be installed on walls, antenna masts or in tunnels. Thanks to its market-leading low power consumption and passive cooling, it is ideal for use in areas where power supply is critical or where there is a need for battery-based, portable base station solutions.

What are outdoor cabinets?

Our Outdoor Cabinets are designed to withstand various elements, providing secure and reliable storage for your outdoor equipment and tools. Available in different sizes and configurations, our Outdoor Cabinets are perfect for outdoor environments such as gardens, patios, or industrial spaces.

What are netshield outdoor wall-mount cabinets made of?

The Standard Netshield range of outdoor wall-mount cabinets are manufactured from 2mm steel and powder coated with high heat and UV resistant powder to the highest specifications. Equipment can be installed safely without any worry about damage caused by dust or rain water.
