

## SolarMax Energy Systems

# South African Republic Battery Energy Storage System Project

114KWh ESS

PICC  
QUALITY ASSURANCE

RoHS

MSDS

UN38.3

UK  
CA

## Overview

---

The Red Sands project will be the largest standalone BESS to reach this stage on the continent, designed to store power during off-peak hours and release it when demand is highest—providing essential grid stability and flexibility for South Africa's electricity network.
