Syria containerized power generation

Overview

Syria has signed a memorandum of understanding (MoU) with a consortium led by Qatar's UCC Holding to launch power generation projects worth \$7bn, as reported by Reuters. Will Syria receive two energy-generating ships from Turkey and Qatar?

Picture taken September 8, 2021. REUTERS/Yamam al Shaar/File Photo DUBAI (Reuters) - Syria will receive two electricity-generating ships from Turkey and Qatar to boost energy supplies hit by damage to infrastructure during President Bashar al-Assad's rule, state news agency SANA quoted an official as saying on Tuesday.

What is Syria doing with a \$7 billion foreign investment?

With a foreign investment valued at \$7 billion, the Syrian government has signed a strategic MOU with a consortium of international companies led by UCC Holding to develop large-scale Power Generation Projects. Damascus, Syria – May 29, 2025.

Does Syria have a deal with Qatar's UCC holding?

REUTERS/Yamam al Shaar/File Photo Purchase Licensing Rights DAMASCUS, May 29 (Reuters) - Syria has signed a memorandum of understanding with a consortium of international companies led by Qatar's UCC Holding to develop major power generation projects with a foreign investment valued at about \$7 billion, UCC said in a statement on Thursday.

Does Syria have a power shortage?

Syria suffers from severe power shortages, with state-supplied electricity available just two or three hours a day in most areas. The caretaker government says it aims within two months to provide electricity up to eight hours a day. (Reporting by Jana Choukeir and Tala Ramadan; Editing by Alison Williams and Timothy Heritage).

Does the US have a sanctions exemption for remittances to Syria?

The United States on Monday issued a sanctions exemption for transactions with governing institutions in Syria for six months after the end of Assad's rule to try to increase the flow of humanitarian assistance. The exemption allows some energy transactions and personal remittances to Syria until July 7. The action did not remove any sanctions.
