

SolarMax Energy Systems

Three-phase 45kW inverter

Overview

What is a 45 kW pump inverter?

The 45 kW pump inverter is expertly insulated, dust-proof, and moisture-proof, ensuring all users' stable, safe, and reliable operation. The robust casing protects internal circuits and electronic components, ensuring the inverter's safety, stability, and reliability, effectively extending the product life.

What is the Delta vfd-c2000 AC drive three phase 400V 45kW?

The Delta VFD-C2000 AC Drive Three Phase 400v 45kW VFD450C43E is a high-level field oriented control AC motor drive with a high-performance variable-frequency technology, FOC control.

What makes a good 45 kW solar water pump inverter?

Good-quality 45 kW solar water pump inverter has high-density ventilation ports for excellent cooling, ensuring stable operation in high-temperature environments. The powerful DC heat sink operates quietly, effectively reducing the heat generated during inverter use, with intelligent start-stop control.

What is MPPT control system of pump inverter?

MPPT control system of pump inverter maximizes the output power of PV array, all-weather automatic operation. With IP20 protection, solar pump inverters have DC voltage (280V, 750V). It is usually used for field irrigation, drip and sprinkler systems, water supply, and household use.

How a solar pump inverter works?

The AC output current is 9A at three-phase 380V, storage temperature is between (-20°C, 60°C). No condensation when the humidity is below 95% RH. Solar pump inverter adopts advanced MPPT control technology, real-time detection of solar panels power voltage, tracking the highest voltage and current, efficiency is as high as 98%.

What is Deye full series inverter?

With compact design and high-power density, this series supports 1.3 DC/AC ratio, saving device investment. Thanks to the smart monitoring platform, Deye full series inverter products support remotely shutdown immediately when accident occurs. Setting parameters and FW update remotely, which makes PV plant O&M easier. Max. PV Input Power (kW)

Three-phase 45kW inverter

Solplanet ASW45K-LT-G3 Inverter

Our new ASW 45-60K LT-G3 Series is our latest innovation in three-phase solar inverters. They have been carefully designed to deliver exceptionally high energy yields for large PV system ...
