

SolarMax Energy Systems

UAE Energy Storage Fire Fighting System Manufacturer

Overview

What is firefighting equipment in UAE?

The firefighting equipment in UAE effectively extinguishes flames of classes A, B, and C. One type of firefighting equipment in UAE is the Water Mist system, which puts out fires by spraying fine mists of water. The better water is at putting out a fire, the smaller the droplets are.

Who is Emirates firefighting equipment factory LLC (FIREX)?

Innovative fire fighting products and world-class services. Established in 1983, Emirates Firefighting Equipment Factory LLC (Firex) began its operations in Sharjah, in the United Arab Emirates (UAE) with a commitment to innovate and manufacture quality firefighting products while providing world-class quality services.

What is a fire sprinkler system in UAE?

Fire Sprinkler Systems are an effective component of any fire fighting equipment in UAE, functioning as the first line of defense against unexpected flames. A fire sprinkler system supplies sufficient water to extinguish flames before they may spread uncontrollably.

How aerosol firefighting equipment in UAE extinguishes dangerous Flames?

Aerosol firefighting equipment in UAE extinguishes dangerous flames by releasing micro agents and reducing gasses. Micro particles in the system are in a vapor state until they are released from the device. Through a series of chemical events, the condensed vapor is transformed into solid particles.

What is CO2 firefighting equipment in UAE?

CO2 firefighting equipment in UAE is ideal for locations including flammable storage, generator rooms, and power stations. Because it releases CO2 gas to extinguish fires, the device can only be put in locations with no or few occupants.

Who is FIREX firefighting equipment?

Firex is a Firefighting Equipment Factory established in 1983 and has its Headquarters, Sharjah, in the United Arab Emirates. It is one of the biggest firefighting equipment manufacturers in the Middle-East and has a strong international presence. Firex is committed to serving and saving lives by providing the best equipment for firefighting.
