

SolarMax Energy Systems

Vanuatu Commercial Solar Power Generation System

Overview

Supported by the U.S. Department of Energy's National Renewable Energy Laboratory (NREL) and the Australian Department of Foreign Affairs and Trade, this initiative has launched a transformative \$75 million solar generation and battery storage project in Vanuatu.

Vanuatu Commercial Solar Power Generation System

Vanuatu: Luganville Grid-connected Solar Power Trial

The pilot project included grid-connected solar panels installed on public buildings to generate up to 40 kilowatts of solar energy. The solar panels were installed on the Sanma Provincial ...
