

**SolarMax Energy Systems**

# **Vanuatu Huijue's energy storage equipment**

## Overview

---

What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

What is Huijue off-grid solution?

Huijue Off-Grid Solution integrates photovoltaic, energy storage, and off-grid systems for scalable energy self-sufficiency. The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at le sites, reduce energy consumption, and reduce carbon emissions.

Who is Huijue network?

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment. Huijue Network products are exported to Europe,

North America, Southeast Asia and other countries and regions, contact us now!.

Where are Huijue network products exported?

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network link industry.
