Where is the best place to replace battery cabinets in Argentina

Overview

Where to buy appliances in Buenos Aires?

1. Appliance Chains Buenos Aires has several appliance chains with branches located in the main commercial areas of the city and shopping centers. These stores offer a wide range of products including technology, kitchen appliances, phones, climate control devices, personal care items, and much more.

Where are the best home improvement stores in Buenos Aires?

There are also several warehouse-sized home improvement stores in the suburbs — the one with the best offerings is Sodimac, located on Av. Libertador in Vicente López, just outside city limits. Learn about the appliances, electronics and hardware stores options in Buenos Aires for expat and global nomads.

Do cell phones have a store in Buenos Aires?

With the rise of content creators and social media, cell phones now have their own accessory stores. In Buenos Aires, these stores are generally not associated with any major brand or company (except for Apple and Samsung stores) and can be found on streets, avenues, and in shopping centers.

Why are appliances so expensive in Argentina?

Our guide was written by Maggie Irwin and Chris Mote. The cost of most items in Argentina is on par with the United States, and inflation assures that the upward trend in prices will continue. Appliances and electronics, however, will frequently be more expensive in Argentina than in other parts of the world because of the high import taxes here.
