## Customized Residential Energy Storage Battery System

### Lithium battery parameters

Product capacity: 100Ah

Product size: 135\*197\*35mm

Product weight: 1.82kg 197mm /7.7in

Product voltage: 3.2V

internal resistance: within 0.5

Customized Energy Solution: Our product offers a tailored energy storage solution, allowing you to create a system that meets your specific needs and requirements, as requested by our ...
